WESTERN LEAGUE PROSPERS

President Hickey Reports that All the Clubs Are Making Good Money.

ST. JOSEPH, Mo., June 14.—(Special Telegram.)—President Hickey, of the Western league tonight said every club in the league is making money. "St. Joseph." said Mr. Hickey, 'has made a decidedly gratifying showing and all the visiting clubs have made some money here. The local crowds have been better than ever before in the history of the league and have held up, despite some sure enough hard luck experienced by the Saints.

"Similar reports come from Minneapolis," St. Paul, Des Moines, Omaha, Kansas City, Denver and Colorado Springs. The last named is doing quite well and is fully up to expectations and a little more. I am in a position to know just how much is taken in at every series, as each club is compelled under the constitution to turn in for sinking fund parposes a fixed per cent of the receipts. These indicate to me that the present season is one of unprecedented prosperity and effectually puts a quietus on the story that the great national game is losing its popularity."
